

## New Member's – Fantastic Offer!

**Free! - Snooper S320 GPS Shotsaver – Retail Value £200-00!**

**For all new members\* joining between July & August 2010**

(\* Please see terms & conditions below)

The NEW and IMPROVED S320 GPS golf range finder is the result of months of intensive research and development. Golfers the World over striving to improve their game demand the highest quality equipment and the S320 meets and exceeds those demands.

The S320 incorporates the brightest LCD screen in the industry, WQVGA with a resolution, of 240x400 pixels. This makes it easy to read in any conditions. In addition the S320 comes with a built-in rechargeable battery capable of guiding you round the golf course for up to 12hrs!

***And of course the new S320 is perfect for British summer time and is completely water proof!***

Snooper S320 Shotsaver uses the very latest GPS technology to provide you with accurate positional information anywhere on the golf course. Our database of courses covers the whole of Western Europe and gives you access to over 3500 courses, one of the most comprehensive golf databases available and still growing. Shotsaver uses the most accurate GPS technology to provide you with distances to the front, back and middle of the green plus bunkers, fairways, streams, lakes plus many other hazards.

***Subscription to the Snooper Shotsaver golf course database of over 3500 golf courses across Europe is completely free!***

**Additional Features:** Electronic Score Card & Club Distance Recorder & Optional Sat Nav & Speed Camera location software available.
